●●●Registration of motor bicycles (原動機付自転車の登録)

Resident's Tax Division (*Shimin Zei Ka*)

Registration of motor bicycles (motorcycles up to 125 cc) is handled at the Resident's Tax Division and civil centers of each area.

For a registration at a civil center, it will take several days until the newly issued number plate and the certificate of number plate issuance are delivered to civil center.

Necessary documents for a registration are as follow:

- A document to certify the sales and the personal seal (*inkan*) of the person to be registered, if it is bought at a shop.
- Certificate of disuse and the personal seal (*inkan*) of the person to be registered, if it was transferred from other person.

●●●Procedure of disuse for motor bicycles (原動機付自転車の廃車)

A procedure of disuse is required when you put a motor bicycle (motorcycles up to 125 cc or smaller) or small specific automobiles out of service, or when you transfer such automobile to someone residing in the outside of the city.

The application is accepted at local civil centers (*shimin center*, interpreter service not available). If you need certificate of disuse, it will be delivered several days after the application.

Necessary things for an application are: number plate, certificate of number plate issuance, and personal seal.

Please note that small automobile tax remains imposing on the original registered person without the procedure of disuse.
